RESEARCH PROPOSAL

The applicants who are successful in the PhD admission Test are required to submit a research proposal of 2,000 to 3,000 words which clearly explains the research problem, objectives and why the research is important. A research proposal or plan helps to assess both the suitability for a research degree and whether we can offer supervision. The proposal should:
- have a title
- indicate the topic and research question
- briefly summarize existing research on the topic, making reference to publications as appropriate
- give a clear outline of the research (research methodology)
- have a list of references/works cited
- be approximately 2,000 to 3,000 words in length.

* The candidate is advised to submit Research Proposal in soft form by 18th December 4:00 P.M. through email to **phd@ias.edu.pk.** The candidate is also directed to bring a copy of the emailed proposal in hard form on the day of interview.
